RAMADAN MEANS TO YOU**

# Prayers

Prayers are a way to talk to God and share your feelings. They don't have to make sense to anyone but you. You can say anything that you are thinking. You can ask for anything. What would you like to write a prayer about?

A large white rounded rectangle with a thick green border, intended for writing a prayer. The rectangle is centered on the page and occupies most of the lower half of the image. The background of the entire page is dark blue with small white speckles, resembling a starry night sky.
