

# IMAGINING QUEER MUSLIM REPRODUCTIVE JUSTICE

## WHAT CAN IT LOOK LIKE?

### DUA MAKING FOR QUEER MUSLIM REPRODUCTIVE JUSTICE

Use the space below to write a Du'a for the Queer Muslim community. Consider the following questions:

1. What is the best future you can imagine for you and your Queer Muslim Community?
2. How, if at all, does reproductive justice play a role in this imagined future?

When making the Du'a you can evoking all 5 senses. *What does this future smell like? Feel like? Be as specific or descriptive as possible, do you wish for freedom or freedom from or to something in particular?* If you so wish, use any of Allah's (SWT) names.

*Imagine that in this future, nothing is impossible or unrealistic.*
